Hands of Hope Network:

From Grassroots Films of Brooklyn, New York comes **THE HUMAN EXPERIENCE** – the story of a band of brothers who travel the world in search of the answers to the burning questions: Who am I? Who is Man? Why do we search for meaning? Their journey brings them into the middle of the lives of the homeless on the streets of New York City, the orphans and disabled children of Peru, and the abandoned lepers in the forests of Ghana, Africa. What the young men discover changes them forever. Through one on one interviews and real life encounters, the brothers are awakened to the beauty of the human person and the resilience of the human spirit.

DID WE FORGET WHAT IT MEANS TO BE HUMAN?

THE INCREDIBLE JOURNEY OF TWO BROTHERS
SEARCHING FOR LIGHT IN A DARK WORLD.

LIVING HOMELESS IN NEW YORK CITY - THE LOST CHILDREN OF LIMA, PERU - THE LEPERS OF GHANA, AFRICA

SUFFERING. FORGIVENESS. FAITH. HOPE. LOVE
THE MEANING OF LIFE IS DISCOVERED IN THE EXPERIENCE.
